

Priyan's Building Experience

1979-1984 – Sri Lanka

I have involved in construction of following three multi-storey building projects in Sri Lanka as the Site Engineer as a young graduate Civil/Structural Engineer. I was employed by Colovino Inc.

Galadhari Meridian Hotel – Colombo, Sri Lanka

Cinnamon Lake Hotel – Colombo, Sri Lanka

Coral Gardens Hotel – Hikkaduwa, Sri Lanka

1990 – 1994 – Singapore

I worked for Econ Piling Company of Singapore. Worked as a Site Engineer for piling works for high-rise building projects.

**Piling Works for National Centre for Infectious Diseases
at Jalan Tan Tock Seng, Singapore**

1995 – 2001 – Dubai, UAE

In Dubai I worked for Al Habtoor as a Civil/Structural Engineer and built multi-storey apartment complexes and also looked after Training of Emirati's (UAE Locals).

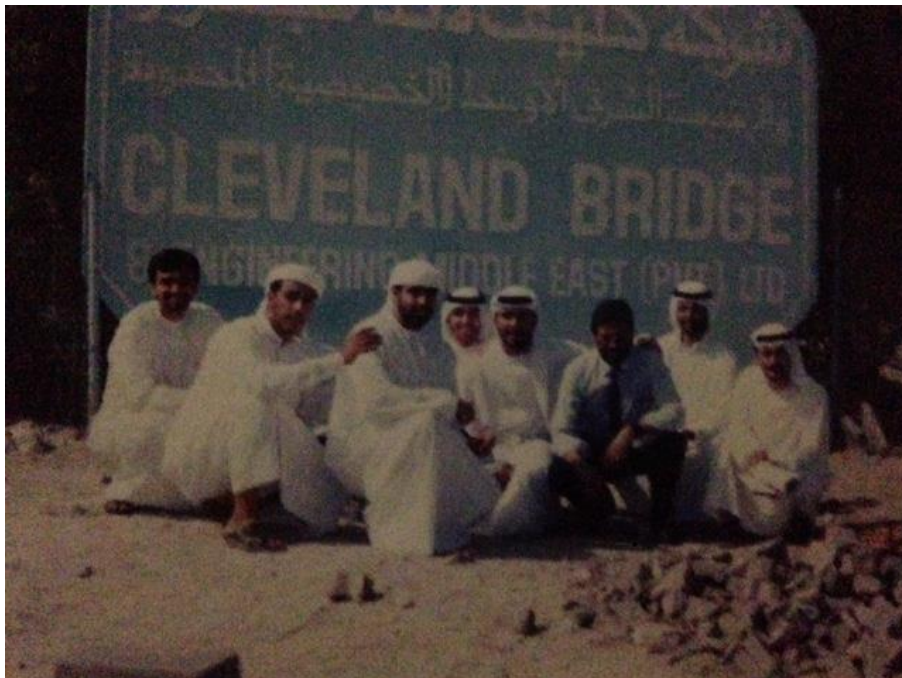

Al Huda Apartment Complex – Dubai
